Re : Cecil Haynes Case number 19 45522 ccc

**Status Letter Regarding a possible change in circumstances and need to amend the Plan and Disclosures**

Your Honor,

I represent the debtor in the above chapter 11 proceeding at which a status conference will be held on May 13<sup>th</sup> 2020 at 2:pm.

Approximately 2 wees ago My client advised me that this brother Joseph Haynes who is an MD , would like to contribute approximately 210,000.00 to the arrears held by the secured creditor on his distressed property.

I sent a proposal too Mr. Frager who got back to me that his client was seriously considering this and that the balance of the arrears would be worked into a 60 month plan with an additional 60,000.00 dollars to be paid in two lump sums over the next 120 days.

I am sending a copy of this letter to Ms. Wolf so she can advise me of what se will require so that I can Properly amend the plan and make sure that Mr. Joseph Haynes will furnish her and the Court with the necessary information.

Respectfully Yours,

Michael L. Previto
